SECOND-SKIN GARMENTS · MADE IN BANGKOK

// AFTERLIGHT.LOG

AFTERLIGHT

宇宙漂流者

WANDERER IN SPACE

Seven second-skin catsuits for the hour after the sun goes down. Shot on Bangkok rooftops and in a disused factory, Afterlight is a campaign for Neoskin: futuristic garments built for the stage, the festival and the camera.

Every piece is patterned, screen printed and sewn in our own atelier in Bangkok. Standard sizes or made to measure.
